

CURRICULUM VITAE.

Robab Maghsoudi

Personal Information:

Surname: Maghsoudi

Forename: Robab

Title: M.D

Sex: female

Date of Birth: 21/3/1968

Place of Birth: Makoo, Iran.

Marital status: Married.

Iranian Medical Council Registration: No. 46863

LANGUAGE SKILLS:

- 1.Turkish - Native
- 2.English - Fluent reading, writing, speaking, and comprehension
- 3.Persian - Fluent reading, writing, speaking, and comprehension

CONTACTS: Hasheminejad Kidney Center

Email:

Main: rmaghsudy@yahoo.com

Alternative: drmagsudi@gmail.com, robab.maghsoudi@hkc.ir

Home address:

Shahrzad bolvar, yarmohamadi street, namdar close end, Tehran, Iran

Professional Address:

Division of Urology, Iran University of Medical Sciences, Hashemi-Nejad Kidney Hospital, Vanak Square, Tehran 19396, Iran **Mobile Phone: 09144110966**

Office: (98) 21 8864 4444

Fax (98) 21 8864 4446

PRESENT ACADEMIC POSITION:

Assistant Professor of Medicine, Iran University of Medical Sciences, Tehran, Iran.

MEDICAL EDUCATION:

Medical School: Tabriz Medical Science University, Tabriz, Iran. (1987 – 1994 M.D.)

Residency in Urology: Medical Science University, Tabriz, Iran (1994 – 19)

Fellowship : Endourology and Laparoscopy, Shahid beheshti Medical Science University (Clinical): Labafi-Nejad Hospitals, Tehran, Iran. (2001-2003)

Observeship in Advanced Laparoscopy: charrite Hospital berlin, Germany(2005)

EDUCATION AND TRAINING:

1. Workshop of "scientific Writing". May 1999, 2 days. Tabriz Medical Science University.
2. Work shop of "Research Methodology". June, 2001. 5 days, Tabriz medical science university.
3. Work shop of "out-patient cystoscopy". April, 2002. 3 days, Olympus Key Med Equipment. Milad Hospital Tehran.
4. ICDL learning program Program, 2004 to 2005, Tabriz Medical Science University.
5. Workshop of Teaching Method -1, June, 2005. 2 days.

6. Workshop of English Scientific Writing, 2005, 16 days. Tabriz Medical Science University.
7. Short course of Health System Research (HSR). October, 1999, 8 days. Tabriz Medical Science University.
8. Workshop of Reference Manager. 2006. 1 day, Tabriz medical Science University.
9. Workshop N Evidence Base Medicine (EBM). 2006, 2 days, Tabriz Medical Science University.
10. Workshop of Educational Progress Evaluation. 2005, 3 days. Tabriz Medical Science University.

MANUSCRIPT REVIEW FOR JOURNALS

- 1- Endourology journal (USA)
- 2- The Journal of Urology (Iran)
- 3- Tabriz medical science journal (Iran)

ADMINISTRATIVE RESPONSIBILITIES:

1. Attending of urology department of Tabriz medical science university since 1998 to 2006
2. Head of laparoscopic division of Tabriz imam hospital. 2003-2007
3. Member, Organ Transplantation Committees, Tabriz medical science university. 2000-2007.
4. Member, Urology Nephrology research team, Tabriz medical science university. 2005-2007.
5. Research deputy of urology department of tabriz medical science university. 2005-2006.
6. Member of Medical Recording Committee of Hashemi Nejjhad Hospital, since 2007
7. Consulter of Health Hart Medical Journal. 2005-2007

NATIONAL PROFESSIONAL MEMBERSHIPS:

Member, Iranian Society of urology
 Member, Iranian Society of Endourology

INTERNATIONAL PROFESSIONAL MEMBERSHIPS:

European Association of Urology

The Endourological Society (USA)

Societe Internationale d'Urologie (SIU) Active member

PUBLICATIONS:

Book

Familiarity with some genitourinary disease

49. Soleymani S, **Maghsoudi R**, etal. "Role of anesthesiologist in management of septic patient in perioperative period". Poster presentation on 4th international congress of intensive care medicine September **2005** Tehran, Iran *Farsi*
50. **Maghsoudi R**. "How can support AIDS and HIV patient". Oral presentation 2nd symposium of AIDS and addiction. **2005**, Tabriz, Iran *Farsi*
51. **Maghsoudi R**. "Management of UPJ stenosis". Oral presentation on 4th congress on advanced laparoscopic Surgery. **2006** Tehran, Iran *Farsi*
52. **Maghsoudi R**, Amjadi M, Bohlloli A, Kazemirashed F. "Laparoscopic translocation of aberrant vessel on ureteropelvic junction obstruction management". Video presentation on 4th congress on advanced laparoscopic Surgery. **2006** Tehran, Iran *Farsi*
53. **Maghsoudi R**, Zolfaghari A, gholivandan A, Azaripour A. "Laparoscopic pyelolithotomy in a pelvic kidney and use of nephroscope for stone extraction". Video presentation on 4th congress on advanced laparoscopic Surgery. **2006** Tehran, Iran *Farsi*
54. Shadpour P, Etemadian M, **Maghsoudi R**, Soleimani MJ "Endoscopic management of the primary obstructive megaureter: Early report on 3 cases" Free P. (FP 01-21) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec. 3rd, **2008** *English*
55. Shadpour P, Etemadian M, **Maghsoudi R**, Soleimani MJ "[A reproducible technique for removal of heavily stone laden neglected ureteral stents](#)" Video P. (PVL 2-079) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov. 30th-Dec. 3rd, **2008** *English*
56. Shadpour P, Etemadian M, **Maghsoudi R** "[Is laparoscopic re-evaluation justified after previously failed open exploration for the undescended testis?](#)" Moderated P. (MP 09-17) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008** *English*
57. Shadpour P, Etemadian M, **Maghsoudi R**, Nayeri RK "[A randomized clinical trial comparing laparoscopic dismembered pyeloplasty by transmesoic vs standard colon reflecting approach](#)". Moderated P. (MP 06-26) Presented at the 26th World Congress on

Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008**
English

58. Maghsoudi R, Shadpour P, Etemadian M “[Spleen injury during urological laparoscopic procedures](#)” Free P. (FP11-27) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008** *English*
59. Etemadian M, Movasaghi G, Tizno A, Shadpour P, et al “Comparison of the general and epidural anesthesia in percutaneous nephrolithotomy” Free P. (FP10-22) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008** *English*
60. Etemadian M, Shadpour P, Haghighi R, **Maghsoudi R** “Tubeless percutaneous nephrolithotomy in children” Free P. (FP02-44) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008**
English
61. **Maghsoudi R**, Shadpour P, Etemadian M “[Laparoscopic transmesocolic ureterolithotomy for left upper ureteral stones](#)” Video P. (PVL2-006) Presented at the 26th World Congress on Endourology (Endourological Society 2008). Shanghai, China; Nov.30th-Dec.3rd, **2008** *English*
62. Etemadian M, Movassaghi Gh, Tizno A, Shadpour P, **Maghsudi R**, Haghighi R, Shahi M “Comparison of the general and epidural anesthesia in percutaneous nephrolithotomy”. Oral Pres. (O102) Presented at the 3rd International Congress of the Iranian Endourology and Urolaparoscopy Society. Tehran, Iran; Oct 29-31, **2008**
English
63. Etemadian M, Shadpour P, Haghighi R, **Maghsudi R**, Fereshteh Nejad SM “Tubeless percutaneous nephrolithotomy in pediatric patients”. Oral Pres. (O81) Presented at the 10th International Congress of Iranian Urological Association in collaboration with the European Association of Urology. Tehran Iran; May 29-Jun. 1st, **2008** *English*
64. **R. Maghsoudi**, P. Shadpour, M. Etemadian, D. Mohamanshahi, K. Mehravaran “[Laparoscopic assisted percutaneous nephrolithotomy in pelvic kidneys](#)” Oral P. Presented at the 12th International Congress of Iranian Urological Association in collaboration with the European Association of Urology., Tehran Iran, May 14-17 **2009**

65. Shadpour P, Etemadian M, *Maghsudi R* "Transmesoic laparoscopic nephrectomy, feasible and fast" Oral P. Presented at the 12th International Congress of Iranian Urological Association in collaboration with the European Association of Urology. Tehran Iran, May 14-17, 2009 *English*

66.

Invited Lecturer

- 1- Pediatric Urology. Iranian Urology Association, 2000. Tehran.
- 2- Endourologic techniques and pregnancy, September, 2004. First Iranian Endourology and urolaparoscopy congress.
- 3- Laparoscopic Retroperitoneal Lymphadenectomy for testis tumor. April 2003. 27th congress of Iranian surgeon's society.
- 4- Minimal Invasive surgery on female urinary incontinence. April 2007. 31th congress of Iranian surgeon's society.
- 5- The 1st International Congress of Laparoscopy and Minimally Invasive Surgery, April 22-24, 2009 Shiraz, Iran.

Has attended the 1st International Congress of Laparoscopy & Minimally Invasive Surgery at Shiraz University of Medical Sciences, on April 22-24, 2009 Shiraz, Iran

Has attended and presented Paper at the "1st International Congress of Laparoscopy & Minimally Invasive Surgery at Shiraz University of Medical Sciences, on April 22-24, 2009 Shiraz, Iran

Hasheminejad Kidney Center
